La Folie Gardens & Villages

Little Ringed Plover

Mekong River and shoreline

- Small, quick shorebird with yellow eye-ring
- Pale brown upperparts and white belly
- Often forages on wet sandbanks

Kentish Plover

Mekong River and shoreline

- Clean white collar and dark legs
- Subtle, elegant patterning
- Favors sandy shores and shallow water edges

Pacific Golden Plover

Mekong River and shoreline

- Golden-spangled back, streaky grey breast
- Medium-sized and migratory
- Found probing mudflats and shoreline

Common Greenshank

Mekong River and shoreline

- Long green legs, slightly upturned bill
- White rump visible in flight
- Seen in shallow Mekong waters

A photograph of a Richard's Pipit bird standing on a reddish-brown rock. The bird has a long, thin beak, a dark eye, and a body with fine brown streaks on a lighter background. Its legs are long and thin. The background is a soft, out-of-focus brown.

Richard's Pipit

Rice Fields

- Long-legged, with fine streaks on breast
- Melodious chirp, upright posture
- Common in open grassy areas

White Wagtail

Rice Fields

- Distinct black-and-white plumage
- Constant tail-wagging motion
- Seen darting between wet rice fields

Common Myna

Rice Fields

- Bold, brown body with yellow face
- Loud calls, always in pairs
- Common in open fields and roadsides

White-vented Myna

Rice Fields

- Glossy black with a white rump
- Tufted crest, reddish eyes
- Perches on wires and rooftops

Coppersmith Barbet

La Folie Gardens

- Green body with red forehead
- ñTuk-tuk-tukòcall echoes in trees
- Feeds on fruit in shady garden trees

Brown-throated Sunbird

La Folie Gardens

- Small, vivid with shimmering green-purple back
- Yellow belly and brown throat
- Hovers around flowers and nectar sources

Common Lora

La Folie Gardens

- Yellow body with olive flanks
- Two bold white wing bars
- Active among lodge shrubs and canopy

Black-naped Oriole

La Folie Gardens

- Bright yellow with black eye-stripe
- Whistling call, high in treetops
- Seen darting between tall trees

Eurasian Tree Sparrow

La Folie Gardens

- Chestnut crown, black cheek patch
- Chirpy and sociable
- Nests in thatched roofs and garden corners

Crested Serpent-Eagle

Flying Above

- Full crest, yellow face, broad wings
- Soars silently over island canopy
- White-and-black banded tail in flight

Asian Palm Swift

Flying Above

- Slim, with sickle-shaped wings
- Fast-flying, forked tail
- Seen circling in flocks over palms

Black Drongo

Flying Above

- All black with glossy sheen
- Deeply forked tail, insect hunter
- Common in open sky above fields and roads

Great Coucal

Shy and Forest Birds

- Large, black with chestnut wings
- Deep ãcoo-coo-cooðcall
- Hops through underbrush quietly

Dusky Warbler

Shy and Forest Birds

- Small and brown, faint eye-stripe
- Active near dense thickets
- Subtle call, rarely seen in open

Common Tailorbird

Shy and Forest Birds

- Greenish above, reddish cap
- Long-tailed, always calling
- Found flitting low in bushes

Ashy Minivet

Shy and Forest Birds

- Pale grey body, black mask
- Elegant, quiet
- Perches high in edge forest canopies

Grey-headed Canary-Flycatcher

Shy and Forest Birds

- Yellow body, grey head
- Cheerful fluttering flight
- Inhabits shady forest edge

Asian Brown Flycatcher

Shy and Forest Birds

- Brown-grey above, pale below
- Still and observant on low branches
- Flicks tail and returns to perch

Southern Jungle Crow

Shy and Forest Birds

- Large, intelligent, and glossy
- Loud and confident
- Often perched high on tree edges
